## O NAMA/ABOUT US

**BOS** BELIF d.o.o. je tvornica hemijskih proizvoda, locirana u industrijskoj zoni u Jelahu, općina Tešanj, osnovana je 1996. godine. Kompletna tvornica izgrađena je po strogim evropskim standardima u pogledu sigurnosti uposlenih te posjeduje sve neophodne dozvole iz oblasti zaštite okoliša.

Konstantnim razvojem firma danas zauzima lidersku poziciju u svojoj branši. Belif d.o.o. je trenutno jedan od najvećih proizvođača antifriза, sredstava za pranje i odmrzavanje vjetrobranskog stakla i auto kozmetike te drži lidersku poziciju u proizvodnji sredstava za tretman bazenskih voda. Pored toga Belif d.o.o. proizvodi i sredstva za održavanje higijene u domaćinstvu i industriji, te širok spektar fluida za specijalne namjene.

Uslijed tendencije rasta firme i širenja assortimenta proizvoda, kao i potrebe tržišta za kvalitetnim domaćim motornim i industrijskim uljima, te povezanosti sa sestrinskom firmom Life Oil, Belif je sredinom 2016. godine pokrenuo proizvodnju motornih i industrijskih ulja pod robnom markom naziva BELLUBE. U proizvodnji BELLUBE ulja se koriste visokokvalitetna bazna ulja i aditivi renomiranih svjetskih proizvođača. Analiza gotovih proizvoda vrši se u vlastitoj laboratoriji, kao i u eksternim laboratorijima.

**U vremenu kada se tržišno okruženje mijenja, Belif s postavljenim jasnim ciljevima za rast, spremno pristupa novim prilikama.**

**ENG** BELIF d.o.o. is a factory of chemical products, located in the industrial zone in Jelah, Tešanj municipality, was founded in 1996. The complete factory was built according to strict European standards in terms of employee safety and has all the necessary permits in the field of environmental protection. With constant development, the company today takes a leading position in its industry.

Belif d.o.o. is currently one of the largest manufacturers of antifreeze, windshield washer and defrosting products and car care products and holds a leading position in the production of pool water treatment products. In addition Belif d.o.o. produces products maintaining for hygiene in the household and industry, and a wide range of fluids for special purposes.
